

## 2017 PRICE LIST

The NSW Education Standards Authority has been developing new Answer/Writing Booklets than are for purpose of scanning and online marking. The CSSA will determine how its Trial Answer/Writing Booklets will be produced for schools as schools are not scanning or engaging in online marking for this assessment. Students in the Trial HSC Examinations are being assessed on the content and outcomes of each course not their ability to use stationery. We will endeavour to ensure students have an exam experience that is close to as possible the NSW Education Standards Authority examination formats.
